

## Project Registration Document

Please complete the below document to apply for project registration, pricing (when applicable) and commercial protection. The completed form should be send to [sales@gapcrossingsystems.com](mailto:sales@gapcrossingsystems.com).

Project registration is restricted to specific requirements and is valid for 6 months. Project registration is required to protect any referring applicant from the end-user contacting GXS directly.

Project registration is also required to protect any referring applicant from a competitive party contacting GXS after the below mentioned application date. This application is for a specific deal, for a specific period in time and to a specific end-user or project.

### General information

Application date	
Company name	
Address	
Postal Code	
Country	
Name contact person	
E-mail address of contact person	
Direct phone number including country code	

Whenever a deal registration is active, GXS will NOT contact the end-user, without firstly consulting the referring applicant.

**Additional information**

1. The GXS project registration shall be confirmed per e-mail.
2. The date of the confirmation will be the commencement date of the 6 months exclusivity for the referring applicant.
3. Monthly project updates are requested to keep the deal registration active within the exclusivity period.
4. At any time prior to the expiration of 6 months from the date of the confirmation, it is expressly agreed that the identities of any individual or entity and any other third parties discussed and made available by GXS and APPLICANT shall constitute confidential information.
5. The APPLICANT shall not directly or indirectly initiate, solicit, negotiate, contract or enter into any business transactions, agreements or undertakings with any third party identified or introduced by GXS.
6. MSS DEFENCE shall not directly or indirectly initiate, solicit, negotiate, contract or enter into any business transactions, agreements or undertakings with any third party identified or introduced by APPLICANT.
7. The APPLICANT and GXS shall not seek to by-pass, compete, avoid or circumvent each other by utilizing any confidential information.
8. Project registration can be extended at the sole discretion of GXS.
